

Ever Wondered?

Have your questions answered directly and professionally. Get those answers to the where, why or how questions.

Reflection Series

We can offer you any of a series of free publications provided by the FDANZ. These are intended to assist people to deal with the subject of death.

Burial or Cremation
making a choice

Alternative Ceremonies
can we do it this way?

The Funeral Director
making the right choice

Bereavement and Grieving
dealing with the death of someone close

Children Grieve Too

Time Together
spending time with a person who has died

Loved Always
remembering your baby

About Funerals
knowing what to do when someone dies

My Life, My Funeral Kit

Many of our families have found it a great relief to have their own or a family member's funeral planned ahead to include personal preferences and requests.

Pre-paying or pre-planning for a funeral ensures your wishes are carried out.

My Life, My Funeral is a free comprehensive kit consisting of three booklets that can be filled in to plan funeral details, personal choices and to list people to be notified.
